TWIN-HEADED DRAGON

1 - Theme Song

Weaponize

I am a GUA

2 - White T-shirt Stain

3 - Crushin'

4 - Way Out

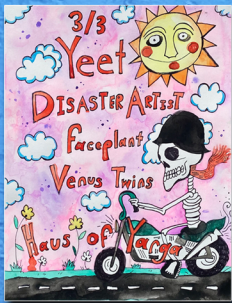

5 - Twin-Headed Dragon

All songs written by Jo and Chris Mayo

Disaster Artist features identical twins Jo and Chris Mayo, on drums and bass respectively, with vocals from both. After playing in several bands they decided to return to their roots and formally established Disaster Artist in 2022 as a two piece artistic endeavor. With a genre-bending history that has ranged from acoustic ballads to EDM, this continually evolving Art Punk duo now arms themselves with bass, drums and microphones to take to the musical battlefield.
